Template Overview

iReview is a very light and fast template for Joomla 1.6 and 1.7, built using latest css techniques. It features a clean, minimalistic design and is a perfect template for review sites built with JReviews (i. e. City Guide, Products Catalog, Movie Database, Classifieds, Events, ...). The template matches the styles of JReviews themes for overall site design consistency and has guaranteed compatibility for all JReviews features.

There are 6 color variations available and two different styles available for each color variation, overall 12 template styles.

Main features

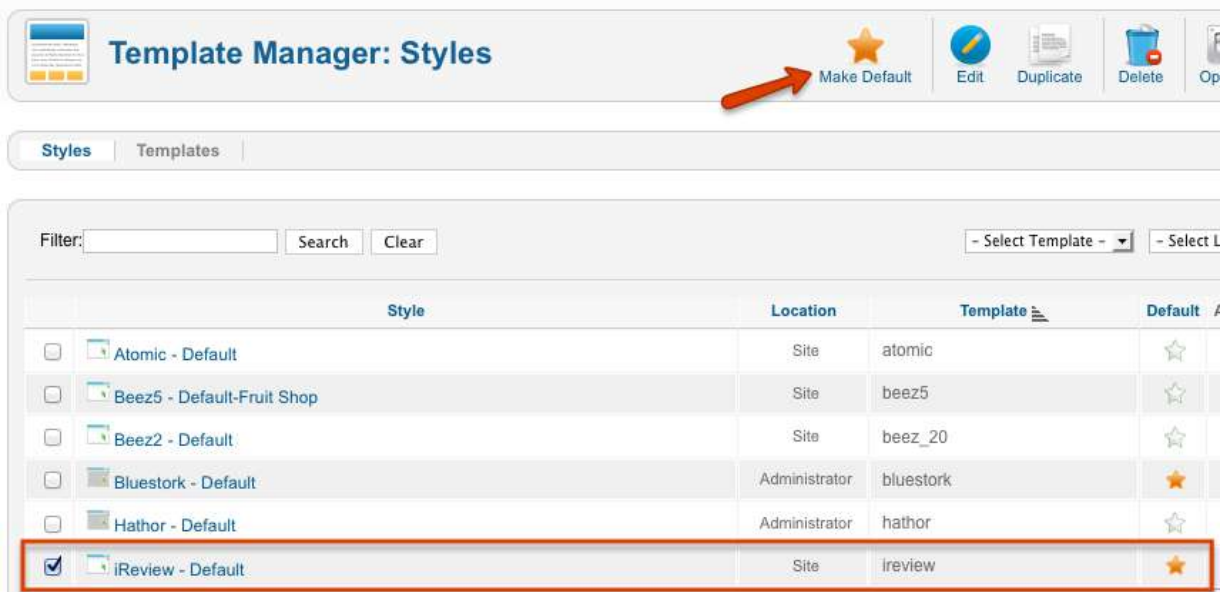

- Compatible with Joomla 1.6 and 1.7
- Best suited for review sites built with JReviews
- Very light and very fast
- Clean, minimalistic design, uses latest css3 techniques
- Easy to customize
- Uses 960 Grid System
- Supports multilevel menu navigation, both horizontal and vertical
- 16 built-in module positions
- 12 template styles (example of each style available at the end of this manual)

Template Installation

Installation Steps

1. Download the template installation file (iReview_1.2.zip) from the Client Area:
http://www.reviewsforjoomla.com/orders/client_area.php
2. In the administration area of your Joomla 1.7 site, go to Extensions -> Extensions Manager.
3. Under the **Upload Package File** click Browse button and select the downloaded iReview_1.2.zip file.
4. Click **Upload & Install**.
5. Go to Extensions -> Template Manager, select iReview template and click on **Make Default**:

Upgrading iReview

If you are upgrading the template from earlier release, just follow installation steps 1-4 to install new version. You don't need to uninstall old version, otherwise you will lose saved template parameters.

If you modified some of the files, make sure you backup the files before the upgrade.
